March 2017

Happy 40th Anniversary to Donington Park.

Welcome to the 2017 Racing season.

As some of you will know, Motor Sport Vision have taken over the running of the race circuit. We have no news to report on this to date but we will let you know when we know anything ie on the website www.dprac.co.uk, facebook page or at the suite.

This year we have a new secretary, [Steve Elliott](#) and a new membership secretary, [Phil French](#) and are currently having a new website designed so please be patient with us if things are a little slow in happening. Phil's address and phone number is [1 Hillary Road, Rugby, CV22 6EU, 07739473108](#) and any membership enquiries should addressed to Phil.

The membership fee remains at the same as last year - [£10 single or £17 joint](#) and runs from January to December. We are starting a [Junior Members Club](#) this year...[membership will be free](#) with an adult paying member.

We are still in the paddock [suites 20 and 21](#) just at the end of the pit lane, right next to all the action and near to the toilets, Paddock Diner and the garages. Nearer to the infield and we have [50 seats](#) reserved in the paddock grandstand, just show your DPRAC membership card if there are security staff on duty.

This year's racing highlights include the opening round of [BSB](#) on March 31, April 1/ 2, [BTCC](#) on April 15/16 (Easter weekend),

DPRAC
